

Sonia Akhahon Year 3 competition

Joseph had Eleven brothers but their father loved Joseph the most so he gave him a colourful coat his brothers were very jealous of Joseph so they grabbed him and threw him down a well they were thinking of what to do with him then they saw people and they sold him to them.

Then Joseph asked they why are you doing this then they turned their backs. Joseph was accused of a crime so he was thrown into the Pharaohs prison. Then Joseph asked God why am I in here I didn't do anything wrong but I know it's part of your plan. Two men were in the prison with Joseph they both had very strange dreams. Then Joseph over heard them talking about their dreams.

I can tell you about their dreams Joseph said they believed him. The man started to talk I saw three branches with three grapes on them then I picked them and squeezed them in the Pharaohs cup. That means you will be set free in three days. But you must tell Pharaoh about me. I promise the man said. Move over my turn said the other man. My dream was about me holding bread in a basket on my head then birds started to eat them. That means you will be set free but they will also take away all your valuable stuff.

Three day later the man forgot to tell the Pharaoh about Joseph. So Joseph spent another two years in prison. One night Pharaoh had a strange dream. So he called all the wisest men to tell him about the dream but none of them had an answer. Then the man remember his promise to Joseph. There is one wise man in your prison he said to the Pharaoh. Pharaoh told Joseph the dream.

There were three fat cows that came out of the ocean then there were three skinny cows that came

out of the ocean. Then the skinny cows swallowed up the fat cows. The fat cows mean there would be food for seven years and the skinny cows mean there will be no food for seven years. This is terrible the Pharaoh said. Joseph said it is not terrible God told you this so you could get ready. So Pharaoh only trusted Joseph to stock up food. Seven years past and what Joseph had warned had started there was no food. Lucky Joseph had stocked food. But even where Joseph lived there was no food. We are going to Egypt. The brother said. Only the youngest brother stayed. Joseph found his brother in the line for food. He pretended he did not know them. SPYS! Shouted Joseph. No said the oldest son said. We are eleven brother in seek of food. LIARS! I only count ten. One brother killed and another left at home. You can take food but bring this brother of yours the next time you come. I will keep one of you until you deliver. All the sons came but the oldest was left behind. Father we must bring the youngest son to Egypt. Or they will not free the oldest brother. Make sure he comes home unharmed. So

they set off for Egypt. You kept your promise so I will keep mine. Joseph said. It was not over yet one of you stole my silver cup. One slave checked their sacks looks like the youngest son took the sack with the silver cup. Joseph told them who he was. They told father to come live in Egypt.
