

Child Safeguarding Statement

St. Scholastica's Catholic Primary School

Our organisation has completed a CHSCP Self-Assessment.

Nature / Type of Organisation and Services Provided:

St Scholastica's is a one – form entry, voluntary aided school for children aged 5-11. We also have a Nursery. Central to our school life are our Core Values, referred to as 'Super Skills'; Respect, Resilience, Independence, Motivation, Determination & Aspiration. We are committed to close working relationships & ensuring the best possible outcomes.

Our commitment to safeguarding children:

St. Scholastica's will ensure all staff are aware of their safeguarding and child protection responsibilities and that they are able to identify children and young people where concerns about their safety and welfare arise. We will ensure all staff and pupils know they can raise issues with any member of staff and that their experiences and concerns will be taken seriously. We are aware that some pupils may not feel confident to disclose concerns verbally and therefore staff will maintain professional curiosity to support them.

There will always be a Designated Safeguarding Lead (or Deputy DSL) on site and they will have appropriate training and understanding of how to manage concerns in an effective way with the welfare of children and young people as their primary focus.

All staff receive annual Child Protection and Safeguarding update training and are made aware of updates to KCSIE. They also receive refresher training in the procedures for passing on concerns within school. This is also central to the induction of new staff.
